#N38, The Nemesis

This holster revolutionized pocket holsters with its incredibly viscous exterior material. As a result, this premium holster will absolutely not move out of position inside your pocket. The interior is crafted using an especially slick pack cloth for low friction draws and the core is lined with just the right amount of foam to break up any tell-take gun lines. Retail price is \$24.99.

#M44, **Super Fly®**

When the original Nemesis® was designed, we thought it would reign forever as the world’s best pocket holster! But then came **Super Fly®**. The exclusive, sticky rubberized fabric coating the outside of this pocket holster is even more viscous than the Nemesis®! And just like its predecessor, **Super Fly®** will never move out of position in your pocket. This superbly engineered pocket holster also offers a removable, reversible outer flap to further disguise the firearm. The slick pack cloth inner lining ensures low friction draws and is reinforced with added polymer in just the right places. Retail price is \$37.99.
